

White Point has been all about fresh air and exercise since we first opened in 1928. Today, we boast 20 years of welcoming neighbours and locals to enjoy our beach and facilities – without having to spend the night.

Your White Point Country Club is like a recreation centre and social club rolled into one!

Members enjoy state-of-the-art facilities, recreation programs, and so much more.

(We'll even do the cooking if you're too tired from playing.) So, join the Club!
