

Beverage Information

To assist you in planning your food service event, the following pages outline general information on bar/wine options and regulations. Please feel free to ask a member of our Event Services Team if you have any questions.

A **cash bar** is a bar where each guest pays individually for the drinks that they order. Cash bars may occur in Founder's Lounge or at any of our Satellite Bar operations.

A **host bar** is a bar that an individual, group of individuals or company has contracted to host. Beverages ordered by guests will be charged to the host, instead of the individual consuming the beverage. Host bars may occur in Founder's Lounge or at any of our Satellite Bar operations.

A **cash bar with tickets** is just that... a cash bar whereby the "host" has distributed tickets to their guests. These tickets are used to control the number of drinks each guest consumes and will thereby control, within a range, the cost of the bar for the host. Hosts issuing tickets must decide which beverages the tickets are redeemable for.

Please note, a labour charge of \$25.00 per hour (minimum of 4 hours) will apply if net sales of \$750.00 pre-tax and gratuities per bar are not met.
