

Around the Main Lodge and Across the Parking Lot:

3 Bunny Adirondack Chairs, Oceanfront Lawn at Main Lodge (Kid Friendly)

We're purple, green and pink with ears that pop. We love watching the waves, but wish we could hop!

Stairs to the Beach, by the Outdoor Pool Deck (Kid Friendly)

I can bring you to the water, over rock or sand. Raised above the bumpy parts, to walk across the land.

Buoy Decoration with Candy Cane Pattern, in the Garden at the Outdoor Pool Deck (Kid Friendly)

I look like Christmas candy, coloured red and white. You can see me from the outside pool, if you look just right.

Red Boat, by the Main Lodge (Kid Friendly)

If you want to be a pirate, you will need this without fail. But don't go very far, I'm a red, without a sail.

Dog Statue, in Front of the Main Lodge (Kid Friendly)

You can give me a pat, or try to feed me a treat. I'm very good at sitting, but I'm afraid I can't eat.

Eagle Head, Above the Main Lodge Front Door (Kid Friendly)

I soar high in the sky, and I'm known to be brave. I watch over the Lodge, as still as a stone. I watch you come in and watch you go home.

Stone Sea Shell, Sea'Scapes Art in Garden by Main Lodge Entrance (Kid Friendly)

She sells, sea shells, by the sea shore. I'm a large sea shell, close to a door.

Saltwater Dream, Sea'Scapes Art in Front of Main Lodge

I look like a dream, if that dream be salty. Riding the waves, like on a cloud, so softly.

Gazebo, between Main Lodge and Treehouses

I'm a room with a view, but I have no walls. You can sit or stand, but if you lean, you may fall.

Hatching Magic, Sea'Scapes Art by Riverview Cottage 137 (Kid Friendly)

I'm normally high up, in the tree tops, to protect the young. I can be made of twigs, string and other things, but I'm much more magically done.

Squirrel Birdhouse, by Riverview Cottages (Kid Friendly)

I'm usually quite busy, storing nuts, for the winter. But I'm trapped in this tree, storing birds, in the summer.

Between the Main Lodge and the Boathouse:

Goofy Man in the Tree, Near the Walking Path by the Flower Garden Beside the Main Lodge (Kid Friendly)

I watch everyone walking from the Main Lodge to the cottage 22. I'm dressed quite fine; can you see me? I can see you!

Around the World Pole, by the Flower Garden Beside the Main Lodge (Kid Friendly)

From here, from there, from everywhere. I tell the story, of everyone who has been here.

Face With Beard on Pole, by the Flower Garden Beside the Main Lodge (Kid Friendly)

High above the garden, where the flowers grow. I've grown something too, just below my nose!

Bunny Weather Vane, by the Flower Garden Beside the Main Lodge (Kid Friendly)

Sometimes I'm still, sometimes I'm not. When the wind blows, you can see me "hopping" a lot!

Octopus Tree, in Front of Cottage 23 (Kid Friendly)

You'll find me sprawled out, between 40 and 23. I look like an Octopus, but I feel like a tree.

Fisherman Statue, in Front of Oceanfront Cottage 42 (Kid Friendly)

I fish the deep seas, looking for red critters. But for now, I'm landlocked, and looking rather bitter.

Tree Stump, Between Cottage 49 and 50

I'm cut the perfect height, between 50 and 49. Sit down, relax and just take your time.

2-Person Canoe, Sea'Scapes Art by Cottage 31

We belong in the water, but we're stuck on a rock. Even if we paddle, we're fixed in one spot.

Whale Ride, at the Playground (Kid Friendly)

Why did the whale cross the ocean? To get to the other tide. But I'm stuck on land, so hop on and enjoy the ride!

Gears, at the playground (Kid Friendly)

The wheels on the bus go round and round. And so do I, at the playground.

Musical Keys, at the Playground (Kid Friendly)

I have many keys, but I can't open doors. If you tap me, I can make sounds, for your ears to explore.

Mix and Match Game, at the Playground (Kid Friendly)

Mix and Match me, you cannot fail! You can dress me up in a tuxedo, or with a tail.

Canada Flag, at the Playground (Kid Friendly)

Look way up high, can you see me? I wave in the wind, and wear a leaf, but I am not a tree!

Telescope, at the Playground (Kid Friendly)

Eye spy with my little eye, you! Although I'm not a window, I am something you look through, to get a closer view.

Raft Swing, at the Playground (Kid Friendly)

I can fly high, but I have no wings. I wish I could float on water, but I'm tied to this thing.

Hopscotch, at the Playground (Kid Friendly)

Throw a stone, or a stick, to see where is lands. Then hop on one foot, without your second foot touching land.

From the Boathouse to Lakeside Lodge:

3 Green Adirondack Chairs, on the Boathouse Deck (Kid Friendly)

You can sit alone, with a friend, or two. Like green peas in a pod, sit down and enjoy the view.

Birdhouse with a Face, beside the Boathouse (Kid Friendly)

I have a face, and I'm as high as a tree. I can see you; can you see me? *(Kid Friendly)*

Owl Statue, Top of the Steps Behind the Boathouse (Kid Friendly)

I prefer to fly at night, hunting critters whooooo whoooo think I'm mean. For now, I'm perched on this post, and I don't give a hoot if I'm seen. *(Kid Friendly)*

Climate Chaos, Sea'Scapes Art by the Boathouse

Spiraling out of control, I look like a mess. But come a little closer, enjoy the lake view, it's the best.

Blue Boat, by the Boathouse, Near the Road (Kid Friendly)

You will need this type of transport, to be able to leave a port. I'm small enough for two and the colour of blue.

Thar She Blows Whale Tail, Sea'Scapes Art by the Boathouse

I'm known as the gentle giant of the sea, but I'm made of metal, and flow with the breeze.

Underground "House", Across from the Blue Boat (Kid Friendly)

I'm awfully small for a home, and difficult to enter. Finding a door, could be quite the adventure!

Bear Sculpture Above the Entrance, at Lakeside Lodge (Kid Friendly)

I'm big, and scary, and can put up a fight. But I'm fixed in one spot, so I can't give you a fright.

EV Charging Stations, at Lakeside Lodge

Why did the robot go on summer vacation? He needed to recharge his batteries. I can recharge your energy too, but I'm not a calorie.

Property Map, Side of Road Across from the Boathouse (Kid Friendly)

This shows you the lay of the land, so you know where things can be found.
You can't take me with you, but look, and you'll know how to get around.
