

Around the Main Lodge and Across the Parking Lot:

We're purple, green and pink with ears that pop. We love watching the waves, but wish we could hop!
(Kid Friendly)

I can bring you to the water, over rock or sand. Raised above the bumpy parts, to walk across the land.
(Kid Friendly)

I look like Christmas candy, coloured red and white. You can see me from the outside pool, if you look just right. *(Kid Friendly)*

If you want to be a pirate, you will need this without fail. But don't go very far, I'm a red, without a sail.
(Kid Friendly)

You can give me a pat, or try to feed me a treat. I'm very good at sitting, but I'm afraid I can't eat.
(Kid Friendly)

I soar high in the sky, and I'm known to be brave. I watch over the Lodge, as still as a stone. I watch you come in and watch you go home. *(Kid Friendly)*

She sells, sea shells, by the sea shore. I'm a large sea shell, close to a door. *(Kid Friendly)*

I look like a dream, if that dream be salty. Riding the waves, like on a cloud, so softly.

I'm a room with a view, but I have no walls. You can sit or stand, but if you lean, you may fall.

I'm normally high up, in the tree tops, to protect the young. I can be made of twigs, string and other things, but I'm much more magically done. *(Kid Friendly)*

I'm usually quite busy, storing nuts, for the winter. But I'm trapped in this tree, storing birds, in the summer. *(Kid Friendly)*

Between the Main Lodge and the Boathouse:

I watch everyone walking from the Main Lodge to the cottage 22. I'm dressed quite fine; can you see me? I can see you! *(Kid Friendly)*

From here, from there, from everywhere. I tell the story, of everyone who has been here. *(Kid Friendly)*

High above the garden, where the flowers grow. I've grown something too, just below my nose! *(Kid Friendly)*

Sometimes I'm still, sometimes I'm not. When the wind blows, you can see me "hopping" a lot! *(Kid Friendly)*

You'll find me sprawled out, between 40 and 23. I look like an Octopus, but I feel like a tree. *(Kid Friendly)*

I fish the deep seas, looking for red critters. But for now, I'm landlocked, and looking rather bitter. *(Kid Friendly)*

I'm cut the perfect height, between 50 and 49. Sit down, relax and just take your time.

We belong in the water, but we're stuck on a rock. Even if we paddle, we're fixed in one spot.

Why did the whale cross the ocean? To get to the other tide. But I'm stuck on land, so hop on and enjoy the ride! *(Kid Friendly)*

The wheels on the bus go round and round. And so do I, at the playground. *(Kid Friendly)*

I have many keys, but I can't open doors. If you tap me, I can make sounds, for your ears to explore. *(Kid Friendly)*

Mix and match me, you cannot fail! You can dress me up in a tuxedo, or with a tail. *(Kid Friendly)*

Look way up high, can you see me? I wave in the wind, and wear a leaf, but I am not a tree!
(Kid Friendly)

Eye spy with my little eye, you! Although I'm not a window, I am something you look through, to get a closer view. *(Kid Friendly)*

I can fly high, but I have no wings. I wish I could float on water, but I'm tied to this thing. *(Kid Friendly)*

Throw a stone, or a stick, to see where is lands. Then hop on one foot, without your second foot touching land. *(Kid Friendly)*

From the Boathouse to Lakeside Lodge:

You can sit alone, with a friend, or two. Like green peas in a pod, sit down and enjoy the view.
(Kid Friendly)

I have a face, and I'm as high as a tree. I can see you; can you see me? *(Kid Friendly)*

I prefer to fly at night, hunting critters whooooo whoooo think I'm mean. For now, I'm perched on this post, and I don't give a hoot if I'm seen. *(Kid Friendly)*

Spiraling out of control, I look like a mess. But come a little closer, enjoy the lake view, it's the best.

You will need this type of transport, to be able to leave a port. I'm small enough for two and the colour of blue. *(Kid Friendly)*

I'm known as the gentle giant of the sea, but I'm made of metal, and flow with the breeze. *(Kid Friendly)*

I'm awfully small for a home, and difficult to enter. Finding a door, could be quite the adventure!
(Kid Friendly)

I'm big, and scary, and can put up a fight. But I'm fixed in one spot, so I can't give you a fright.
(Kid Friendly)

Why did the robot go on summer vacation? He needed to recharge his batteries. I can recharge your energy too, but I'm not a calorie. *(Kid Friendly)*

This shows you the lay of the land, so you know where things can be found. You can't take me with you, but look, and you'll know how to get around. *(Kid Friendly)*
