Beverage Information

To assist you in planning your food service event, this page outlines general information on bar/wine options and regulations. Please feel free to ask a member of our Event Services Team if you have any questions.

A Cash Bar is a bar where each guest pays individually for the drinks that they order. Cash bars may occur in Founder's Lounge or at any of our Satellite Bar operations.

A Host Bar is a bar that an individual, group of individuals or company has contracted to host. Beverages ordered by the host will be charged to the Master Account, instead of the individual consuming the beverage. Host bars may occur in Founder's Lounge or at any of our Satellite Bar operations.

A cash bar with tickets is just that... a cash bar whereby the "host" has distributed tickets to their guests. These tickets are used to control the number of drinks each guest consumes and will thereby control, within a range, the cost of the bar for the host. Hosts issuing tickets must decide which beverages the tickets are redeemable for.

Please note, a labour charge of \$35.00 per hour (minimum of 4 hours) will apply if net sales of \$900.00 pre-tax and gratuities per bar are not met.

All host bars are subject to 18% taxable service fee and HST. In Founder's Lounge and our Satellite Bars, we take great pride in offering premium selections for all our basic alcohol products. We also offer a back bar of over 100 products from which you may choose to upgrade your bar presentation. If you have a favourite product that we don't already stock, let us know and we'll price it for you. You will be responsible for paying White Point for the quantity of special product ordered in most cases. Please note that it is unlawful to remove unused product from the licensed area of White Point (which really means; sorry, you can't take any left overs home with you).

Wanting to entertain the White Point way? Take your pre-dinner reception outside to one of our fire pits. We'll help you host a good old Maritime mussel bake complete with beer and wine. Host bar beverages available: domestic or imported beer, wines by the glass, an assortment of coolers and hard cider, and cocktails. We must have your request for this event no less than 2 weeks prior to the event.

House Bar in a Room or Cottage:

Glassware: \$6.00 per dozen

Disposable Plastic ware: \$10.00 per dozen

Cans of Pop: \$3.00 each
Bottles of Juice: \$4.00 each

Garnish (lemons/limes, straws and stir sticks), enough for 12: \$8.00

Ice: \$15.00 per cooler (includes use of cooler for beverages)
If a "set up" is required: \$35.00 per hour, minimum 4 hours
Bartenders are available at \$35.00 per hour with advance notice

Punch Non-Alcoholic \$20.00 per litre. One litre will provide approximately 8, 4 oz. portions of punch. Punch can be tray-served or presented in a decorative punch bowl or dispenser.

Rules and Regulations, imposed and enforced by Nova Scotia Alcohol and Gaming Authority White Point, as a licensee, is responsible for all beverage sales and service in accordance with the regulations of the Nova Scotia Alcohol and Gaming Authority. All alcoholic beverages served in a public area must be supplied by the Resort. This includes: all meeting rooms, lawns and fire pits. Guests may consume their own alcohol in their accommodation only. Any personal liquor found in an unlicensed or licensed area will be confiscated. Please note that Nova Scotia Liquor Legislation dictates that persons under the age of 19 years may not enter or be present in a function room that is being used for a dance or has the appearance of a lounge. Wedding receptions and reunions are the only exceptions permitted.
