

Welcome to your club.

White Point has been all about fresh air and exercise since we first opened in 1928. Today, we boast 27 years of welcoming neighbours and local White Pointers to enjoy our beach and facilities – without having to spend the night. Your White Point Country Club is like a recreation centre and social club rolled into one. Members enjoy relaxing in familiar facilities, recreation programs, pickleball, live entertainment, and so much more. We'll even do the cooking when you're too tired from exercising. If you haven't tried pickleball or bocce ball yet, now is the time! We have two pickleball courts and a bocce ball campo located between the Boathouse and the Main Lodge.

DAILY PROGRAMMING

Members also have access to the scheduled activities – like yoga, Teddy Bear picnics, and bonfires.

BEACH & TRAILS

Our 1km stretch of beach is popular for picnics, leashed dogs, and beachcombers – but it's also great for power walking and running, all year round. Have you been on our trails? Our property offers gentle routes that invite you to get outside and enjoy nature's beauty. Head to the estuary footbridge for a loop around the Estates. When the Golf Course closes for the season – our beautiful oceanside course is perfect for walking, or cross-country skiing and snowshoeing when the weather permits. (No bikes please!)
